#### INFORMATION / INSTRUCTIONS FOR APPLICATION FOR FLORIDA DEATH OR FETAL DEATH

This application is not to be used for requesting an amendment to a death record OR if you will need to have the certification apostilled/exemplified by the Florida Department of State. If an amendment is required, use DH Form 433(non-medical amendment) or DH 434 (medical amendment). For an apostille or exemplified use DH 727A.

**AVAILABILITY:** Some records are on file dating back to 1877, but not all events were registered.

#### **ELIGIBILITY (Section 382.025, Florida Statutes):**

**WITHOUT CAUSE OF DEATH:** Any person of legal age (18) may be issued a certified copy of a death record without the cause of death on the record.

**CAUSE OF DEATH INFORMATION:** Cause of Death for any record over 50 years old may be issued to any applicant. Death records less than 50 years old with the cause of death information included may only be issued to:

- the decedent's spouse or parent;
- to the decedent's child, grandchild or sibling, if of legal age;
- to any person who provides a will, insurance policy or other document that demonstrates his or her interest in the estate of the decedent,
- to any person who provides documentation that he or she is acting on behalf of any of the above named persons, OR
- by court order

All requests for certification of a death certificate that includes the cause of death information must state the qualifying eligibility or be accompanied with a notarized Affidavit to Release Cause of Death Information (DH Form 1959) signed by an eligible person (form is available on our website) and a copy of valid photo identification of both the person authorizing release and the applicant. If you are uncertain about eligibility for cause of death information, call (904) 359-6900 extension 9000 for assistance.

A funeral director or attorney representing an eligible person as defined above must include their professional license number, and the name and relationship of the person they are representing, if requesting cause of death. If not representing someone identified above as eligible to receive cause of death information, then a completed Affidavit to Release Cause of Death Information (DH Form 1959, available on our website) must accompany this request.

**SPECIAL NOTE:** Florida clerks of court will not accept a death record with "cause of death information included" when filing probate.

**DATE OF DEATH NOT KNOWN:** If date of death is unknown, the entire year specified will be searched. If the year is unknown and more than one year is to be searched, specify the span of years to be searched (Example: 1970 to present) and pay \$2.00 per year for each year to be searched.

**PROCESSING TIME:** Normal response time within our office is 4-6 business days; however, the processing time can exceed this timeframe.
