# Apply for New Registration - Step three

Select the "Apply for a New Registration" link to begin the application process

The screenshot shows a web browser window displaying the Ohio Department of Health (ODH) X-Ray Registration and Inspection System. The page features a purple header with the ODH logo and the text "Ohio Department of Health X-Ray Registration and Inspection". Below the header, there are navigation links for "Instructions", "Home", and "Logout". The main content area is divided into two sections. On the left, a purple sidebar contains the text "Apply for a New Registration" and "If you have any questions, please contact ODH at (614) 995-4727". On the right, a white box contains the heading "Welcome to the X-ray Registration and Inspection System" and a search bar with the text "Select a Registrant" and "No Facility Records found." A red arrow points from the text box above to the "Apply for a New Registration" link in the sidebar.

# Apply for New Registration - Step four

It may be helpful to print out this online instruction page for reference during the application process.

If adding additional equipment to your registration, a new application is not required.

Registrations are not transferrable.

**Apply for a New Registration**  
If you have any questions, please contact ODH at (614) 995-4727

**Online new application instructions**

Before you click the "Start" button below, please print this page of instructions to help guide you through the application process. If you need assistance, please contact the X-ray Registration program at [xrayreg@odh.ohio.gov](mailto:xrayreg@odh.ohio.gov) or call 614.995.4727.

1. Have the following required items/information available before you begin applying:
  - IRS Tax Identification Verification 147C letter (Only IRS verification letters will be accepted. If you do not have an IRS verification letter, you may call 1-800-829-4933 and request the IRS to immediately fax your verification letter.)
  - Credit Card or Electronic Check
  - Exact type and number of x-ray tubes
2. Verify that your facility is not already registered. If x-ray equipment is already registered at the particular site to you ..... STOP, and check ..... because if it is registered, it may simply require an amendment be completed online. If you are not sure, please contact the X-ray Registration program at [xrayreg@odh.ohio.gov](mailto:xrayreg@odh.ohio.gov) or call 614.995.4727 for assistance.
3. To begin the application process, click the "Start button below.

**You should not begin the application process until you**

- **have these three bulleted items available,**
- **can devote ten continuous, uninterrupted minutes to complete this process.**
- **If you stop during this process, you can be "timed-out" and you will have to begin the entire process again from the beginning.**

# Apply for New Registration - Step five

**NOTE: Assembler/Installer (Category 12) do not need to list any EQUIPMENT**

Apply for a New Registration  
If you have any questions, please contact ODH at (614) 995-4727

**New Application**  
Enter the information about the facility and then click Apply.

Enter information and select **APPLY** when all fields have been completed.

# Apply for New Registration - Step six

1. Browse your computer to make the tax letter file name appear in the Browse window.
  2. Select Upload
- After you receive confirmation of a successful upload
3. Select Make Payment button

Ohio Department of Health X-Ray Registration and Inspection

[Instructions](#) [Home](#) [Logout](#)

Apply for a New Registration

If you have any questions, please contact ODH at (614) 995-4727

**Upload 147C Letter**

To upload your 147C Letter click Browse, select the file to be attached, and then click on Upload. After uploading the document, click on the 'Make Payment' button.

IRS 147C, CP 575 or SS-4 tax identification verification letter are accepted. If you do not have official IRS tax identification verification available, call IRS at 1-800-829-4933 and request your "Tax Identification Verification 147C letter" and have the IRS FAX the letter to you. This process will take 1-2 minutes (W-9s WILL NOT BE ACCEPTED. Only official communication from the IRS will be accepted.)

# Apply for New Registration - Step seven

Enter credit card or electronic check information into all fields

You will receive confirmation from the payment center once your payment has been accepted.

Successful application submittal message from Registration

## Confirmation page

Congratulations! You have successfully submitted your application and payment.

Please keep this confirmation number available for your reference: 1234567...

The Registration Program staff will review the documentation provided within two to three business days. Once your application has been approved, you will receive a confirming e-mail with your X-ray Registration number.

Thank you,  
X-ray Registration  
Office of Health Assurance and Licensing  
Ohio Department of Health

# Apply for New Registration - Step eight

Work through any remaining application steps until you receive confirmation that your application was accepted by the Ohio Department of Health..

You will receive an additional confirming e-mail from [xrayreg@odh.ohio.gov](mailto:xrayreg@odh.ohio.gov) once your online application has been reviewed and approved.

24 hours after e-mail notification, you should log onto the ODH Gateway and print a new certificate to be posted at your facility. You may need to call to get the last three digits of your registration number.

Call the Ohio Department of Health, X-ray Registration 614.995.4727 for any questions or help registering your new facility.

Subject: X-ray Registration Application Approved

...ion application for the facility listed below has been approved.

...n can be printed one business day after this confirmation e-mail. An inspection ...e next year to determine if your facility is compliant with all applicable rules.
